

We have military clients looking to buy in your neighbourhood.

Posting season in the military is almost upon us. We specialize in this type of transaction. Each year, our team has clients who are relocating to Ottawa and many will be purchasing homes in your area. As a service to them we are reaching out to see if we can match them up with properties in their desired locations. If you are **thinking of selling this year**, please feel free to reach out to us to see if your house might be a match. We offer a free no obligation assessment and market evaluation of your home. We have a great program for home owners who sell to our military clients.

We expect the house hunting trips to be taking place between March 20th and May 1st, 2019. Our buyers will likely be looking for a closing date between June 28th, 2019 and August 4th, 2019. Most will be searching in the \$400k to \$625k price range. Please feel free to email, call, or text me at 613-863-6999.
