

We have military clients looking to buy in the neighbourhood.

Posting season in the military is almost upon us. We specialize in assisting incoming military clients with their real estate needs. As a service to these clients, we are reaching out to homeowners in the neighbourhood to see if we can find them “off-market” homes to purchase. Our clients would purchase the homes at the highest range of what you could sell for. Essentially examining what other sales are selling for after all the offer activity and pricing it there. Without the hassle of staging or having a million showings!

If you are thinking of selling this year, please feel free to get in touch. We offer a free no-obligation assessment and market evaluation of your home. We have a great program for homeowners who sell to our military clients. We complete dozens of these transactions a year. We also have some exciting promotions for military sellers relocating.

We expect the house-hunting trips to be taking place between March 26th and May 31st, 2022. Our buyers will be looking to move in the summer of 2022. Many will have COS dates of early July.

Our clients will be mainly searching in the \$700,000 to \$1M+ price range. Please feel free to email chris@chrisscott.ca, call or text me at 613-863-6999. Check out OttawaRelocations.ca for more information on our services.

“Chris Scott is a fabulous realtor who knows the Ottawa market very well. As a military member, we have asked Chris to help us with three separate houses, all with excellent results. We will no doubt use Chris again if we sell.”
